

# ICE HKA x CIHT HK Conference & Exhibition 2026

## Smart Cities: Infrastructure & Transportation Innovations

**DATE:**  
Thursday 30 April 2026

**TIME:**  
9:00am – 5:30pm  
(Registration: 8:30am)

**VENUE:**  
Crystal Court, Hopewell Hotel,  
15 Kennedy Road,  
Wan Chai, Hong Kong

## Conference's Theme

This flagship conference provides a dynamic platform to explore the revolutionary impact of digitalisation on civil engineering. It is a forum for sharing the latest knowledge in infrastructure innovation, with a core focus on how technologies like Artificial Intelligence (AI), Unmanned Aerial Vehicles (UAV) and autonomous driving are transforming industry practices and paving the way for new economic models.

Participants will discover how digitalisation is revolutionising every stage of the project lifecycle – from planning and design to construction, operation, and maintenance.

In addition to keynote speeches and expert presentations, the event will feature mini-exhibits and business-pitch sessions. These interactive forums offer pioneers and innovators a unique opportunity to showcase their ideas, fostering essential collaboration among policymakers, industry leaders, and innovators.
